

**19th European Women Pharmacists Meeting**  
**Saturday October 4<sup>th</sup> 2025 Vienna**  
**Diversify Pharmacy: Extending Roles of Women**  
**Pharmacists**

The conference will shed light on the growing diversity of tasks and specialisations in pharmacy with a particular focus on the role of women in this change. Five female experts will provide insights their respective specialisms and show how female pharmacists are breaking new ground and actively shaping the healthcare system. A social programme from 3-5 October will provide an opportunity to continue the exchange with colleagues.
